Powder and prowess unite once again in Bend, Oregon February 18 and 19 during the 12th annual OnPoint Community Credit Union Bend WinterFest U.S. Cellular Rail Jam.

For two unforgettable days in February there are no lifts and no limits—as some of the best local and national snowboarders and skiers annihilate the king size jib constructed by Galvanic Design. All the action goes down from three stories up on the U.S. Cellular Rail Jam right in the Old Mill District.

Riders will shred the rail, while live music booms in the background. Spectators enjoy the show while cheering the riders and drinking a beer from their prime viewing spot in the rail garden. Skiers and snowboarders will pull out all the stops to compete for swag, bragging rights and cash and prizes in excess of \$5000!

The prize purse and giveaways will be bigger than ever. This event is the premier rail jam in the NorthWest and has received media coverage from Warren Miller Productions, Portland Fox TV and Bend radio and TV. Don't miss the largest rail jam and the best talent in the NorthWest.
